RESPONSE

S I R:

In response to the Office Action dated May 9, 2001,  
applicant amends his application as follows:

IN THE SPECIFICATION:

Please replace the paragraph beginning at page 1, line 24,  
with the following rewritten paragraph:

--In such an electronic portable appliance, the  
power feed means 10 is also required to be reduced in size and  
weight due to the reductions of size and weight of the  
appliance. Due to this, there is a tendency toward decreasing  
the power supplied by the power feed means 10. On the other
